- Come off A3 at signs for **Leisure Centre**. Down slope, take left fork, but you will want to turn right at the big crossroads, follow signs to **Horsham and Godalming**. The road now runs parallel to the A3 you've just left. Go along dual carriageway, past fire-station on left, Cornhill Insurance on right.

- Turn IMMEDIATELY LEFT after this - before Travelodge.
- About 800m along, under an arched bridge, and then next right into Riverview which is a small business park - dark blue framed windows. Once in, turn left and ahead of you to your left are some parking spaces labelled Messer & Matthews use one of these and then come in and up the stairs, we are on the first floor.
- If you come to Nissan car show room on your left, you've missed us by 25m!

Immediately following the bend there is a Nissan garage on the right. As you pass the Nissan Garage the entrance to Riverview is immediately opposite on the left-hand side of the road just before you go through an arched bridge (Our building has dark blue framed windows).
- Turn into business park and take left turn - No 1 is on your left.
- We are on the first floor up the stairs.
